

**Request for Proposal  
for Wifi Service Equipment and Installation  
at Two County Locations**

The County of Polk is hereby releasing a request for proposal for the following WiFi service equipment and installation in two locations of Polk County.

Bidding Companies may turn in a proposal for one or all of the bid sections and any addendums not listed here. If addendums are added, they must be on a separate page with cost set aside from original bid(s). No primary proposal will be excepted that fails to meet all requirements for specified section being bid on.

A.) Internet equipment including any modems, routers, boosters, or extenders along with installation and assisting with any service arrangements with providers and optional maintenance service agreement that will provide wireless internet service at the Frank Hammons Memorial Park in Benton, TN and maintain a minimum of 7 Mbps speed in a 300 yards circumference in / around such location including ball field and concession areas as agreed upon by bidder and Polk County Government.

B.) Internet service and connection to the tee league concession stand building and projected monthly /quarterly billing cost for service thru bidder or secondary provider.

C.) Internet equipment including any modems, routers, boosters or extenders along with installation and assisting with any service arrangements with providers and optional maintenance service agreement that will provide wireless internet service at the Copper Basin Community Center in Ducktown, TN and direct parking areas to such building with a minimum of 7 Mbps speed and to include such service and strength to the lower public pool building area below the C.B.C.C. with a minimum of good to fair signal strength around the immediately adjoining ball fields thereof.

Bidders shall comply with all law, rules and regulation and provide all necessary documentation of their business along with proof of business license and insurance in bid proposal or creditable group name and credentials if private, non-business group.

A digital copy (either cd, dvd, flash drive or e-mail) of the entire proposal shall be included in the proposal packet or made available to the County of Polk immediately following the bid opening.

The County of Polk reserves the right to accept, reject or refuse any and all bids and bidders.

Proposals are Due no later than Thursday, February 25<sup>th</sup>, 2021 at 12:00 noon at the Polk County Executive's Office in Benton TN. Proposals may also be mailed to Polk County Executive's P.O. Box 128, Benton, TN. 37307 (must arrive in mail prior to the above date).

The County of Polk is now accepting proposals for Wifi equipment, service and installation at two county locations. For proposal packet and information, contact Polk County Executive Robby Hatcher at (423) 338-4528 or check the County Website at [www.polkgovernment.com](http://www.polkgovernment.com)  
R.F.P.'s due by Feb. 25<sup>th</sup>, 2021
